Headmaster's Message

The "Rampant Lion" has a new format this year, and I would congratulate the Editors and Staff on their efforts and achievement. It is good to see enthusiasm and new ideas, and I know that all students appreciate having such a fine record of the school year.

1972-73 has been a good year for Glenlyon--enrollment has been at capacity, spirit and tone have been high, and we have had our fair share of successes in inter-school competition. The Senior Form (Grade 10) has been exceptionally good athletically, which has more than compensated for their small number, and this has enabled us to compete well in all sports at the Junior-High level. Two new ventures were extremely popular--the Skating and Ice Hockey at Memorial Arena and the Outdoor Education Camp in May with Grade Nine . . . and we plan to continue and expand these next season.

We were heartened and delighted when School Captain, Nicholas Waterfield, was awarded a scholarship of \$1,800 per annum to attend Appleby College in September, and again when Walter Prossnitz won a Music Scholarship for study in Vienna during May and June.

We welcomed several new staff this year, and I have been grateful for their cooperation and service. Mr. Eastwood and Mr. Ravensdale are moving on, and we wish them every success in their new positions.

Old Boys and Friends were very saddened to hear of Mr. B. G. (Nip) Parker's death in the Spring. Mr. Parker taught at Glenlyon for eight years (1962-70) after a long career as Senior Master at St. George's School in Vancouver. In latter years he was instrumental in organizing the Central Saanich Cross-Country Run which has become an annual fixture on our school calendar. He was a splendid colleague and teacher and widely respected for his integrity, character and sense of sportsmanship.

In closing, I would express my gratitude to all who have gone the "second mile" to make this a better school--and worked unselfishly for the common good. It is not easy to keep standards when all around there is increasing laxity and permissiveness--but I know that upon reflection we can be proud of our determination to seek always that which is true and excellent, and not be content with things shoddy and mediocre. We cannot do better than keep our school motto before us: "Veritas atque Valor".

Hamish I. F. Simpson

PRIZE WINNERS

The forty-first Annual Prize Giving was held on June 22 on the main lawn under sunny skies. The guest of honour was His Worship the Mayor of Victoria, Peter G. Pollen, who presented the prizes and addressed the assembly. As a Glenlyon parent, he paid tribute on behalf of all the parents to the Headmaster and staff for their work throughout the year. As a concerned citizen, he urged continuing support for the independent school system. And, as a businessman, he pointed up for the boys the competitive and demanding nature of the world into which some of them were entering and exhorted them to uphold the basic values they had learned at Glenlyon.

SCHOOL DANCE

On Friday evening, June 1st, Glenlyon held its second school dance for the senior school. An invitation was sent to the respective grades at Norfolk House, which was enthusiastically received.

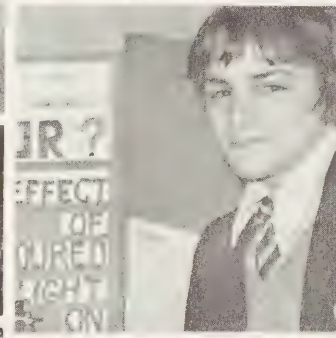

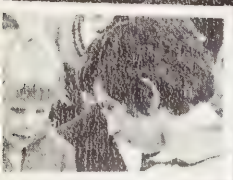

The evening was highlighted by good music provided by "The Infinite Sound" (a professional recording outfit) and the dance floor at the Oak Bay Senior Citizens Activity Centre. We had the dance there because it had a modern atmosphere, smooth dance floor, bathrooms, a portable stage, and excellent kitchen facilities. A wonderful table of cakes, sandwiches, cookies, and other appetizers was set at short notice by the mothers and was gladly appreciated by the guests.

The evening ran smoothly and was a terrific success, both in the minds of our guests and the chaperones (I'm not sure who had the best time!) and financially. Surely without the forceful energies of Mr. Simpson, the dance would never have got off the ground. Thanks also lies with the dance committee and the staff at the Centre who spent so many hours of hard work before and after the occasion.

CHRISTMAS CAROL CONCERT

Bartlett's famous book of quotations lists over one hundred references to "music". This number supersedes those noted for "mind", "money", and "mother". Somehow, music has inspired more quotable eloquence than any of these other three fountain-heads of civilization.

Our Christmas concert this year was witness to Music's creative power. The choir, under the able direction of Mr. Gallienne, gave a spirited performance of two very ambitious works, namely, "A Fantasia on Christmas Carols" by Ralph Vaughan Williams, and "St. Nicolas" by Benjamin Britten. The occasion was made complete by the Glenlyon choristers being joined by the Conservatory Girls Choir, and the Men's and Boy's chor of St. John's Church. Orchestral support was given by a select group of musicians led by David Harrington.

All the boys worked exceptionally hard to learn, master and polish these two very difficult works, and the enormously positive response of the audience was indicative of the degree to which their efforts were successful and appreciated. Alastair Bland, Chris Thackray, Tom Watson, and Michael Woods (all of grade 5), each contributed vocally either alone or in a trio. Walter Prossnitz of grade nine made a valuable contribution by playing some of the piano parts, Mr. Charles Dorrington was the guest tenor soloist, and he did much to enhance the occasion.

At one stage in "St. Nicolas", Britten has the choir sing: "See, see, the boys come . . . to life". That, indeed, was the spirit of the concert this year.

For the second term the choir sang in the Victoria Music Festival. In addition grades 3 - 6 were entered as class choirs. The determination of the boys was most evident in the results - four firsts and two second places in the six classes entered. The School Choir was invited to sing in the Honour Performance. Previously the choir sang on the Noon Show at the CHEK TV studios.

Special thanks go to Walter Prossnitz who accompanied the choir at the Christmas Concert, the Music Festival and at many many rehearsals.

Christmas Concert

On December 19, 1972, Glenlyon staged its 24th annual Christmas Concert, in front of another packed gym. After the Headmaster's welcoming speech to the guests, and his introduction of the master of ceremonies, school Captain Nicholas Waterfield, he introduced the first play, Grade Three's dramatization of Clement Clarke Moore's "Twas the Night Before Christmas". With visual effects provided by the boys and a large group of narrators, the production went over very smoothly; both parents and boys heartily enjoyed it.

Grade Four followed with perhaps the strangest play. This play, entitled "Fantasy on the Christmas Theme," contained no words, only music. Slow motion characters revolved around the theme of peace and God; ending with all characters united in peace, praising the Almighty. Aided by a good lighting display, this was certainly a most different but well appreciated production.

From Grade Five, under the direction of Mr. Bennett, came the ever popular Christmas story, "How the Grinch Stole Christmas". Here, under the narrator's direction, the Grinch tried to steal the Hoos' Christmas. He was foiled by the only thing that he could not take; the real meaning of Christmas. So with his "new heart", he returned all the goods that he had taken and ended the production in his new-found "happy" surroundings.

Finishing off the serious side of the concert, Grade Six under Mr. Skinner, looked back into the past and reconstructed how the first Christmas might have gone and the effect that it had on the persons involved in it. "There is Always Room" produced good costumes and an effective dream situation (done with the aid of lighting effects). Both contributed to a very well produced and acted performance.

Starting off the comical plays this year was the Grade Seven production. This play, "The Santa Spirit of '72" was written by two of the boys in Grade Seven and attempted to show the mass confusion and commercialism that greeted a child who was downtown during the Christmas season.

From Santa Clauses and Christmases the plays now moved closer to the workings and thinkings of Glenlyon School. Grade Eight looked into the future and saw the Glenlyon Boys' dream: a co-ed school, "Glenlyon High". With its two classes, we were introduced to every student, seeing the kind that we might be seeing in a few years. Overall the humorous comments and antics of each student gave the audience a very much enjoyed performance.

From Grade Nine (1) came a production that ran in line with the Grade Eight's: that of finding something for the "new" girls to do. They came up with a suitable solution by staging "The Miss Glenlyon Beauty Contest". Here, under the examining eye of the three judges, the four finalists answered their final skill testing question. Then the votes were polled and it was found that Annabell Threadneedle had been declared winner. Unfortunately, she was the female judge!!! (One hopes this does not mean anything about our "coming" girls). Still, despite this negative result, it was a very well produced and appreciated skit.

After deciding to leave beauty contests to Brentwood College, Grade Nine (2) produced the afternoon's final entertainment. In "The Search for Talent", the travels of Hamish Sampson of Denlyon School are revealed as he scours the world over in search of a teaching staff. With re-enactments of his "searching" days, we follow his humorous travels. Close examination found that there was an unintentional (supposedly) comparison to Glenlyon's teaching staff. However, none was intended, and the afternoon's skits ended on this very humorous note.

Grade Ten this year provided fillers between most plays. All were the acting out of jokes and all went over very well.

Svensen also re-appeared, in a greater role. Thrice he butted in and produced his nauseating performances. His jokes had not mellowed with age, but had remained of the same calibre. Using the M.C. as his straight man, he also produced two live roosters (ostriches to him), much to the surprise and amusement of the audience. Another trick that he also produced was the balancing of a broom, with a rooster on top, on his chin (even though he was susceptible to "injury").

The program ended with Nicholas Waterfield giving words of thanks where they belonged. He then called all the students to the stage. All present sang "O Canada" and then the students, under Mr. Walker, concluded the program by singing the school song and "We Wish You a Merry Christmas".

Art

The focal point of the year was the large annual exhibition of art on Family Night, May 4th. Grades 7 - 10 display in the main hall and Grades 9 and 10 classrooms included a wide range of modes of expression including tempera, acrylic and spray painting, collages, drawings, lino and woodcuts, engravings, and collagraphs. This made a colourful and interesting display.

In the Art Room, Grades 4 - 6 displayed models, collages and pottery as well as drawings and paintings of varied media and character revealing some lively imaginations and energy of execution.

In the last term, advantage was taken of better weather to sketch in the school grounds and at the marina and to draw interesting houses in the vicinity. A visit was made to Garry Oak Farm, Beacon Hill to sketch animals and birds.

Grades 7, 8 and 10 went on guided tours at the Art Gallery of the large exhibition representing 3,000 years of Chinese culture. This was a spring board for some painted panels of dragons and serpents.

We thank the mothers who assisted by driving and showing helpful interest. Our thanks also go to Mrs. Bennett for helping Grade 7; Mrs. Barras, Grade 5; Mrs. Mulin, Grades 4 and 5 during Terms II and III; and Wendy Page for helping Grade 6 in the second term. Mr. Skinner we thank for popping up at the right times to make photographic records.

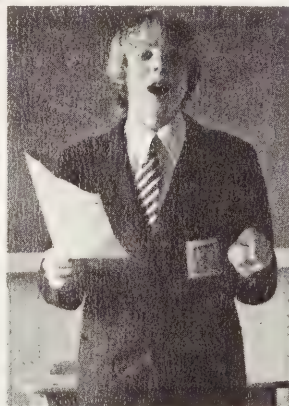

Grade 10 should be congratulated on the high percentage of quality work and Grades 7 and 4 for their most prolific and lively output. To all boys who worked extra time in lunch hours, it could be said that you have generated a sense of serious but enjoyable purpose.

DEBATING

Glenlyon has again maintained a good standard of debating. "Be it resolved that leisure is an increasing meance to modern society " was the topic for the first major competition, the F.I.S.A. Debating Tournament, in which the team of G. Molson and G. Kirkham placed ninth out of twenty-five teams, with G. Molson placing seventh individually.

The Provincial Junior High Debating Championships were held in Vancouver in March, the topic being "Be it resolved that a Republican form of government would serve the interest of Canadians better than the present Canadian system." In competition for the Hammarskjold Cup, Glenlyon placed fifth out of twenty-one teams, B. Donaldson leading K. Séaman and M. Moore in the individual scoring.

DRAMA

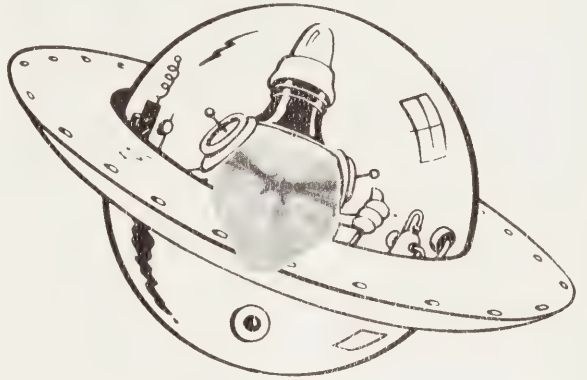

Arising out of classroom activity and high interest have come three notable projects. Two plays were entered in the Greater Victoria Schools Drama Festival. At the Elementary level, grade five under the direction of Mr. Bennett, produced the one-act comedy "Guilty or Not Guilty," affectionately known as GONG, in which the cast came to an understanding of the rudiments of stagecraft and elocution. Grade ten were exceptionally busy this term. In conjunction with Norfolk House a combined entry was produced for the Festival, "The Wheelchair", from whose cast Nona Avren was selected as Best Junior Actress. In early June, the play was staged again along with Norfolk's "Passacaglia" and Oak Bay Junior's "The Light" to provide three nights of Youth Drama under the sponsorship of the Victoria Theatre Guild at the Langham Court Theatre. The venture was a pronounced success and the proceeds went to providing bursaries for candidates to the UVIC Summer Theatre Workshop.

N. Waterfield, R. Hunt, M. Paget and W. Wright, and J. Carter were actively involved in the production of "The Black Box", a children's participation play, and they gave accomplished performances for the kindergarden and lower grades at St. Margaret's School, Norfolk House, and Frank Hobbs. To all who gave more than their share of time and effort, we say "Thank You".

THE GLENLYON SCHOOL SAFETY PATROL 1972 - 1973

Forrest Graham was the lieutenant in charge of the patrol this year, and he received his Golden Badge of Service from Mr. Gordon of the Victoria Kiwanis. Chris Kind, Jeremy Bushnell and Jamie Douglas received their Silver Badges for two years' service, and

Each morning prompt at half-past eight,
We stand outside the entrance gate
And do our duty - to prevent
A student rush-hour accident.
When crossing over on Beach Drive
It is quite hard to stay alive
Unless you listen to our shout
And only cross when "Flags" are "Out".

Bronze Badges went to Ross Nunan, Earl Gammon, Tom Dufleit, Boyd Stephen, Jonathan Gregory, Kevin Bertles, and Edward Jackson for their first year.

Library

The library was moved this year from the classroom block to the main house. With two rooms, it became possible to have a separate reference and study area. Subscriptions to several magazines were bought and these were placed in the reference room.

In October, the grade nine classes held a bottle drive to raise money for new science books. This was very successful, realizing over three hundred dollars. Some of this money was used to purchase the Life Science Library and the Young Readers' Series of science books for use as reference material.

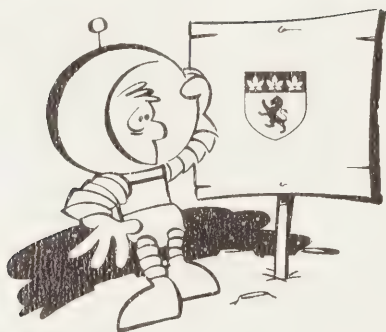

The Women's Auxiliary planned and organized a book sale in February. In one evening, one hundred and fifteen books were bought and donated to the library.

In addition, one hundred and fifty new titles were placed on the shelves during the course of the year.

Librarians for 1972-73 were: Mark Hine, David Holmes, Albert Selina, Ken Seaman, Chris Pinckard, Atom Egoan, Steven Past, Raymond McIlbree, Charles Jackson, Brian Andiel. Reserves: Paul Cubbon and Philip Newton.

SCIENCE FAIR

The annual school Science Fair was held on Wednesday and Thursday, February 21st and 22nd, when eighty projects from Grades 4 - 10 were exhibited in the gymnasium. The Fair was again a success and many parents and friends viewed the exhibits. The emphasis of the projects was on scientific inquiry and many boys were able to display their findings most impressively.

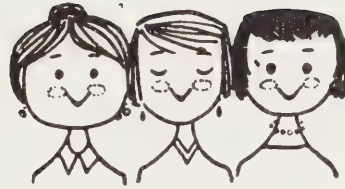

Following the Fair, six projects were accepted for the Vancouver Island Regional Science Fair. These were:

<u>Name</u>	<u>Project</u>	<u>Grade</u>
Briam Blamey	Resilient Buoyancy	10
John Carter	Can Minerals make your Plant Healthier ?	10
Wynn Wright	Animal Responses	10
Steven Cook	Using Static Electricity to Clean Air	9
Mark Hine	The Effect of Seedling Position on Bean Growth	9
Bill Taaffe	The Effect of Shapes and Colours on the Feeding of Fish	8

Wynn Wright was the runner-up in the Senior Division. John Carter, Mark Hine and Bill Taaffe all received Certificates of Merit in their respective categories.

WOMEN'S AUXILIARY

President's Report for 1972-73

First, I wish to thank all the auxiliary members for their continued support through the year. Any auxiliary depends for strength on the hard work of all members, and the spirit of helpfulness at Glenlyon is exceptional.

The year started with a general meeting and tea in September, which was very well attended and many good ideas were put forth.

A weekly hot dog sale was started and has proved very popular with the boys and a great financial success for the auxiliary. My special thanks to Mrs. Langhout and Mrs. Simpson for organizing the food and serving, and Mrs. Philip and Mr. Walker for developing a smooth financial system. Also thanks to Mrs. Kilshaw and the mothers who volunteered for kitchen duty each week. I am sure the boys would join me in a big cheer for all those involved.

A "New Book Sale" was held again in conjunction with the School Science Fair in February, with 125 new books added to the library.

The school Family Dinner Night held in May was very ably convened by Mrs. Page and Mrs. Wilson. This was a tremendous undertaking and was much enjoyed--many, many thanks to them both. Also thanks to the teachers who took part in entertainment.

Our faithful social convenors, Mrs. MacKenzie and Mrs. Dufleit, provided coffee and juice for social functions and organized a wonderful sandwich lunch with Mrs. Simpson for all the schools involved in the Under-Fourteen Independent School Track Meet in June.

Financially, the hot dog sales and Family Night Dinner were so successful and the school so busy, that these were the only fund raising efforts for the year.

In the Fall overhead screens, a film and slide projector, six sets of brackets for the screens, and a film strip previewer and slide previewer were purchased, as well as three round library tables. Twenty-six Jackdaw reference kits were bought for teacher aides.

In conclusion, my special thanks to the executive and phoning mothers, on whom our successful year depended.

The slate of Officers for 1973-74 is: President - Mrs. J. Buchanan; Vice-President - Mrs. J. Barrett; Secretary - Mrs. D. Barlow; Treasurer - Mrs. Cynthia Pinckard; Social Convenor - Mrs. Wanda Nunan; "Hot Dog" Convenor - Mrs. C. Langhout; and Used Clothing Convenor - Mrs. G. A. Brown.

Camp Barnard

In the second week of May, the thirty boys of Grade 9 spent four days at Camp Barnard near Sooke (which had been kindly loaned to us by the Boy Scouts of Canada), under the patient supervision of Mr. Walker. The purpose of the camp was to familiarize us with the natural environment of our Province, and to permit scientific and social studies activities which would have been difficult to carry out under the normal school timetable.

The first afternoon set the tone of the whole camp. A deluge during the first "familiarization" hike to the top of Mount Bluff was sufficient to wet everyone to the skin, but failed to dampen either our spirits or the campfire which, gas-begotten, cured our sodden jeans.

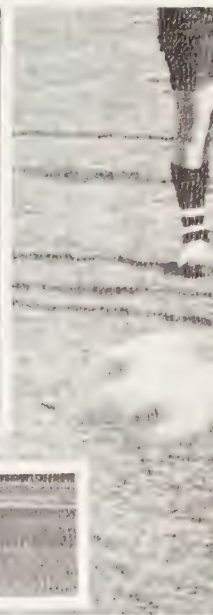

The second day was devoted to the collection of plant and insect specimens from various parts of the 300 acre camp property, and this involved a group paddle near the lake exit with Mr. Hunter, who returned to school the same day with over 300 specimens, all carefully wrapped in plastic bags.

His place was taken next day by Mr. Bennett, who helped us to map the camp area, measure water velocity, and take soil samples. He inspected our weather stations which we had set up on arrival, and discussed our meteorological observations.

"George", the temporary Camp Director, did everything he could to make our camp a success. He unlocked doors, produced vast quantities of wood for our camp-fire, and spoke words of encouragement to Paul Monaghan when he erringly put the axe through the water main on the last morning!

Our meals all took place in the camp cookhouse and we were very grateful to those parents and staff wives who drove out in the evenings to cook our dinners. Breakfast was a good meal too--at least it was when Peter Butterfield fried the eggs--and it was interesting to see the increase in popularity of porridge as the mornings went by, as the only effective remedy for the icy temperatures in the tents at night.

Each of us gained in knowledge and experience in his own particular way, but all of us agreed it was a great change from our normal school routine.

Sports

Cross Country

Senior Cross-Country

Success was a major feature of this year's season, and with the nucleus of last year's runners still with us, the school was able to retain the Independent Schools' team trophies at the Under Fourteen and Sixteen levels--a remarkable achievement!

It was hoped to be able to participate in eight Victoria Schools Junior Secondary Meets at the beginning of the season, but the frozen grounds meant seven of these had to be cancelled. However, we were still able to enter teams in the Vancouver Island Junior Secondary Schools Championships and the Basil Parker Cross Country Run, with a reasonable amount of success in both.

Victoria Junior Secondary School Meet (Colquitz School - Nov. 29, 1972)

Under 17: 2 1/2 miles. Individual placings - B. Blamey = 4th; R. Hunt = 6th.
Team results: Glenlyon = 2nd. (11 schools participated).

Under 14: 2 miles. Individual placings - P. Newton = 4th.
Team results: Glenlyon = 5th. (12 schools participated).

B. C. Independent Schools Senior Championships (Brentwood College - Feb. 10, 1973)

Under 16: 2 1/2 miles. Individual placings - B. Blamey = 1st; R. Hunt = 2nd;
G. Kirkham = 3rd; G. Molson = 10th; R. Hibbert = 11th; R. Wilson = 19th.
Team results: Glenlyon = 1st (46 pts.); St. George's = 2nd (77 pts.);
S.M.U. = 3rd (96 pts.); Brentwood = 4th (109 pts.); Shawnigan = 5th (167 pts.).

This was an outstanding performance both by the winner, Brian Blamey, and the team, who won so convincingly.

B. C. Independent Schools Junior Championships (Athlone School - Feb. 24, 1973)

Under 14: 4 1/2 miles! Individual placings - F. McKenzie = 2nd; B. Hatter = 3rd;
R. Young = 5th; W. Taaffe = 12th; P. Titus = 15th; M. Pinckard = 16th.
Team results: Glenlyon = 1st (53 pts.); Cliffside = 2nd (86 pts.); S.M.U. =
3rd (89 pts.); St. George's = 4th (124 pts.); Athlone = 5th (138 pts.).

Vancouver Island Junior Secondary Schools Championships (February 24, 1973)

Under 17: 3 1/2 miles. Individual placings - G. Kirkham = 9th; R. Hunt = 13th.
Team results: Arbutus = 1st (41 pts.); S.M.U. = 2nd (63 pts.);
Elizabeth Fisher = 3rd (74 pts.); Glenlyon = 5th (76 pts.). (12 schools)

The Basil Parker Cross Country Run (Saanich - March 3, 1973)

Under 16: 5 1/2 miles. Individual placings - G. Kirkham - 5th; R. Hunt - 11th;
J. Carter 12th. Team results: Glenlyon = 3rd. (9 teams participated).

Under 14: 2 1/2 miles. Individual placings - P. Newton = 7th; F. McKenzie = 12th;
B. Hatter = 13th. Team results: Glenlyon = 3rd. (15 teams participated).

Independent Schools' Association Cross-Country Meet

This meet was again held at Athlone School in Vancouver on February 24. The meet was a successful one although the course was rather long. Results:

Under 12:	1st	St. George's	29 pts.	4th	Athlone	122 pts.
	2nd	S.M.U.	84 pts.	5th	Cliffside	171 pts.
	3rd	Glenlyon	114 pts.		Brent Dawe = 10th place.	

House Cross-Country Championships

The School cross-country championships were held on February 16th. The Under Ten course was 1 1/2 miles and the Under Twelve course was 2 miles. As usual, every boy with two healthy legs ran as well as each individual could to gain points for his House.

Under 10: 1st = Tom Insley (Thompson) 2nd = Martin Walker (Thompson)
3rd = Brooke Johnson (MacKenzie)

Under 12: 1st = Jamie Douglas (Fraser) 2nd = Brent Dawe (Fraser)
3rd = Juppi Cunningham (Douglas).

House Results: 1st = Fraser 2nd = MacKenzie 3rd = Thompson/Douglas

100 Mile Club

The following boys reached this target this year: Charles Jackson - Grade 8 - 110 miles; Terry Barnett - Grade 8 - 101 miles. Both these boys completed 100 miles last year, which make this an even more commendable achievement.

Inter-House Championships (February 16, 1973)

Open: 3 1/2 miles. Results: B. Blamey - 1st; R. Hunt = 2nd; G. Kirkham = 3rd.;
R. Hibbert = 4th; R. Wilson = 5th.

Under 14: 2 1/2 miles. Results: P. Newton = 1st, F. McKenzie = 2nd; B. Hatter = 3rd.;
R. Young = 4th; W. Taaffe = 5th.

Junior Cross-Country

This sport was again an integral part of the second term's activities. It is rarely with any boy an activity which promotes sustaining pleasure. Every boy ran once or twice a week during normal P.E. periods. The miles which they ran went towards a grade target (grade 3 - 35 plus, grade 4 - 50 plus, grade 5 - 75 plus, grades 6 and 7 - 100 plus). If they reached that target a special badge was awarded. This can really only be reached by each individual running miles on his own over and above class running. As in past years, everyone begins in earnest but only a handful are successful because of their greater determination. Some boys went beyond their grade target and reached a higher grade mark:

100 Plus Club	Richard Barlow, grade 4; Paul Taylor, grade 4; Peter Barlow, grade 6.
50 Plus Club	E. Jackson, grade 6; R. Nunan, grade 7; S. Pettyfer, grade 4.
35 Plus Club	Martin Walker, grade 3; Marc Owen-Flood, grade 3; Andrew Hamsworth, grade 4.

Sailing

The school's sailing club has just completed its ninth season and membership and interest have been as high as ever. There were approximately thirty boys in each of the Fall and Summer Term classes, under the direction and instruction of Mr. I. McInnes. The club now has five "Flying-Junior" fibreglass boats (14 ft.) and in May our newest addition arrived - a 17 ft. Davidson - which has more space and stability and is much better for teaching sailing fundamentals to the novices.

The annual Independent Schools' Association Regatta was held at Shawnigan Lake in May - six schools each entered three crews, but we found ourselves at a disadvantage in age and experience and finished sixth overall!

H.I.F.S.

Skiing

The school had three very successful ski trips this year, two of them being to Manning Park for four days each, and one to Forbidden Plateau with Grade VII in mid-February. The trips to Manning Park were during the Christmas and Spring Vacations, and in each case we were able to take twelve boys in addition to Mr. and Mrs. Simpson and Mr. and Mrs. Bennett, who organized and supervised the outings. The January excursion was highlighted by very cold weather one or two days, but the snow was perfect, and the boys enjoyed the new facilities at the Manning Park Lodge each evening including the outdoor Skating Rink. In March, the weather was much warmer, and we were again most fortunate in the dry, fresh snow which fell most evenings. Our thanks to Mrs. Simpson and Mrs. Bennett for providing such excellent food each day.

In addition to our own party of sixteen, a number of Glenlyon families also were able to join us for this skiing holiday and, in fact, we had a party of thirty-two in all. We look forward to planning more ski holidays next year, and perhaps may even be able to enter a Ski Team in the Independent Schools Championships.

Basketball

This year basketball has been taken more seriously in the upper part of the school. Two university students, Mr. R. Parks and Mr. K. Slater were hired to coach a group at both the Under 16 and Under 14 levels. The coaching greatly improved the standard of play during the season and hopefully this will effect the future of basketball in Glenlyon. The basic skills of the game and even more advanced plays were taught. As the boys reached a better understanding of the game, so their enthusiasm rose. The combination of the two enabled the teams to play with more success than was hoped for.

Unfortunately, the teams only played a few games. At the Under 14 level, the team played St. Michael's University School fairly early in the season and were soundly beaten 43 - 10. Later, in a tournament at Cliffside, the team beat Cliffside 38-5; narrowly lost to St. Michael's again 14-11 (a really close game); and lost to the eventual winners, Shawnigan, 18-4.

The Under 16 team played only two games, one against St. Michael's, losing 33-19 and one against an Oak Bay team, losing 23-21, after being down by 11 points in the first half.

It is hoped next year that the school will enter an evening league at different levels. This will give the boys the necessary games needed to improve their standard and also to keep enthusiasm high.

JUNIOR BASKETBALL

I.S.A. Junior Basketball Tournament

This tournament was held at Cliffside Preparatory School on March 10. Although there were only two other schools entered (St. Michael's and Cliffside), it proved to be a most exciting competition. In the game against Cliffside, we snatched a victory in sudden death overtime. The match against St. Michael's University School was also very close, with S.M.U. winning in the last few minutes.

Results:	Glenlyon 19	Glenlyon 12
	Cliffside 18	S.M.U. 14

S.M.U. defeated Cliffside and so won the Under 12 Section.

House Results

Competitions were held at Grades 4, 5, 6, and 7, the overall results being:

JUNIOR COSOM FLOOR HOCKEY

This year a new game was introduced into the Junior School, namely, Cosom Hockey. This is an extremely good indoor game for boys for a number of reasons. It is a vigorous and fast paced game which affords the boys plenty of movement. Due to the close association with ice hockey, the boys were immediately motivated to play the sport and this interest was maintained throughout. There is no physical contact in the game, and if there were, fewer boys would be actively involved. The plastic sticks are easy to yield and the skills relatively simple to learn, which means that the boys of poorer athletic ability can meet with success and not feel left out. At every available free moment, boys would be playing in the gym, such was the appeal of the game; and House matches were played during class periods at every grade level. Overall results:

Fraser = 1st

Douglas = 2nd

MacKenzie = 3rd

Thompson = 4th

Senior Tennis

The tennis program at Glenlyon was a great success again this year.

Many more boys expressed a wish to participate than could be accommodated and a final selection of 28 boys was decided upon. Those selected included boys with considerable experience, who would form the nucleus of the school team. The majority were relative newcomers to the game and the program was largely designed to give the novices instruction and the opportunity to play. Those boys who showed considerable ability and were likely candidates for the school team had extra practice during the lunch break at Windsor Park.

The Independent Schools Tennis Championships were held at Cliffside School this year and Glenlyon was well represented at the Under 14 level by Fraser McKenzie (A singles) who won 2 of his 5 matches; by Ian McKenzie (B singles) who won 4 out of 5 matches; and in the doubles by Forrest Graham and Albert Selina who placed second in their event. Glenlyon gave up the trophy this year to St. Michael's University School and placed 3rd, equal with Athlone.

The Inter-House Tennis Matches were held at the end of the summer term. The calibre of play was high and the skills acquired during the course of the programme were ably demonstrated. The house results were as follows:

1st = Fraser

2nd = Douglas

3rd = Mackenzie

4th = Thompson

SOCCER

First XI

N. Waterfield, J. Carter, R. Wilson, R. Hunt, P. Butterfield, W. Wright, p. Monaghan

Glenlyon School fielded a soccer team this season that continued to uphold the school tradition of sportsmanship and determined endeavour. Of games played, one of these resulted in a win for Glenlyon with the remainder as closely contested losses. The individual match results were as follows:

October 5th	Lansdowne Jr. High	Lost 5 - 3
October 6th	Oak Bay Jr. High	Lost 2 - 1
October 11th	Central Jr. High	Lost 1 - 0
October 18th	Arbutus Jr. High	Won 4 - 3
October 30th	Mt. Newton Jr. High	Lost 6 - 3

In addition, two staff-student games were played which proved to be most enjoyable to all the players. In the first of these games, the students won 3 - 2, despite a valiant attempt by the staff. However, in the second game, the staff were rewarded with a well-earned 6 - 2 victory.

It would be unfair to judge the success of this year's team purely on its win-loss record. What were very much in evidence in the team members were the continuation of progress in the skills of the game. Team spirit abounded and every game, every practice, was undertaken vigorously and determinedly for the sheer enjoyment of the game. All these cannot be shown in the statistics of a win-lose record, but they are, it is hoped, still considered as worthy objectives of any sport.

Under 14 XI

S.Buchanan,W.Taaffe,I.McKenzie,M.Felix,A.Salina,C.Kind,Mr.Hunter
W.Lake,M.Templeman,F.McKenzie,G.Cook,H.Ruthven,M.Moore.

The season was rather short this year due to greater emphasis being placed on rugby and also availability of fixtures after October. The games in the Independent Preparatory Schools' Soccer Championship were the only ones played, therefore, the results being as follows:

				<u>Goals</u>	
<u>P</u>	<u>W</u>	<u>D</u>	<u>L</u>	<u>F</u>	<u>A</u>
4	2	1	1	7	4
October 10th		St. Michael's		Lost 2 - 1	home
October 17th		Cliffside		Draw 1 - 1	home
October 24th		Cliffside		Won 2 - 0	away
October 31st		St. Michael's		Lost 3 - 1	away

The team has played well together, but lack of games and time has meant that a lot of the basic skills and teamwork have not been fully developed.

The games with St. Michael's were quite evenly matched and the results were fair reflections of the play. Both games with Cliffside were very one-sided in our favour, but we could not score goals, in spite of continual pressure. As a result, we were runners-up in the Trophy, whereas with that extra effort and ability to score goals, we could have won outright.

Graywood Cook had a tremendous season, both as a talented and forceful player and as Captain. Taaffe was also a continual threat to the opposition's defence and was top goal-scorer with 3 goals.

House League Soccer (Under 14)

House competitions were held at Open and Under 14 level, the overall results being:

<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>4th</u>
McKenzie	Thompson	Fraser	Douglas

In addition, a seven-a-side soccer competition was held at the end of the second term. This proved to be very close and several games required over-time. Results:

Island I.S.A. Soccer Tournament

The Under 12 side this year was weaker than in the past. Although they defeated Cliffside twice, the boys were no match for a very strong St. Michael's University School team.

Results:

10th October	Cliffside	Won 7 - 0 (Pollen - 4 Meredith - 2 Cunningham - 1)
18th October	St. Michael's	Lost 4 - 2 (Pollen - 2)
21st October	Cliffside	Won 6 - 0 (Pollen - 4 Cunningham - 1 Wilkinson - 1)
25th October	St. Michael's	Lost 4 - 0.

I.S.A. Elementary Schools Soccer Tournament

This was hosted again in Vancouver by St. George's on Saturday, October 14. Only three schools entered this year which rather curtailed the weekend's activities. However, it was a most enjoyable competition.

Results:	Athlone 1	Athlone 0	St. George's 4

Senior Rugby

This year the boys of the First Fifteen team were small and young in comparison with the last few years. As a result, some of the teams we played were Junior Colts or composite sides from Under Sixteen teams, allowing us to play good rugby with both sides being of much the same strength.

The team developed greatly during the season not only in the skills of the game but in their attitude towards it. The backs, with plenty of speed in the three-quarter line, played basic rugby well. They were aided by good passes from the base of the scrum by scrum-half W. Wright. Centre, R. Hibbert, used his acceleration and speed to burst through the opposition to set up try-scoring opportunities. On defense, J. Carter deserves special mention for his courageous tackling which halted many of the oppositions' back line movements. The forwards, although small, were able to contain most teams, especially when it came to set scrums-- this being due to the pack working well as a unit. The leader of the pack, J. Buchanan, showed skill and determination in many phases of play and was a valuable player for winning the ball from the opposition in line-outs and loose play. R. Thow and G. Molson deserve mention for their enthusiasm toward the game. Game Results were as follows:

Oak Bay	Won	20 - 0	Elizabeth Fisher	Won	4 - 0
S.M.U. Under 15	Won	20 - 4	Lansdowne Second 15	Won	34 - 6
Brentwood Colts	Lost	4 - 20	S.M.U. Under 15	Lost	4 - 12
Shawnigan Under 15	Won	12 - 8	Brentwood Colts	Lost	0 - 14
St. George's Composite Colts	Drew	13 - 13			

Under 14 Rugby XV

S.Buchanan, F.McKenzie, P.Walker, W.Lake, G.Cook, H.Ruthven, D.Muir, T.Barnett, c.Jackson.

The Under 14 squad had a hard but fruitful season in rugby; hard in that eight games were played in six weeks (with two more cancelled) and fruitful in that much was learned about the game, together with quite a degree of success.

The results were as follows:

				<u>Points</u>	
<u>P</u>	<u>W</u>	<u>D</u>	<u>L</u>	<u>F</u>	<u>A</u>
8	4	1	3	52	51
October 12			University School	Lost	24 - 0
October 27			Brentwood College	Lost	8 - 4
November 9			Shawnigan Lake	Draw	4 - 4
November 11			St. George's	Won	14 - 0
November 14			Mount Newton	Won	10 - 0
November 17			Shoreline	Won	13 - 0
November 21			Lansdowne	Won	7 - 3
November 30			Brentwood College	Lost	12 - 0

The games with the Independent Schools were all hard fought encounters. University School proved too strong an opposition for the first game and, unfortunately, the return in December was cancelled because of snow. Brentwood and Shawnigan were all close games and they could have gone either way. St. George's fixture was undoubtedly the highlight of the season. The whole team played quite magnificently and looked as if they had been playing together for years. This was not so against the Public Schools, however, where inexperienced opposition often dragged the game down to a brawl and little was learned on either side.

The team started the season with very little experience and knowledge of the game, but soon showed their talents, and the forwards in particular developed into a strong and effective scrummaging and line-out unit. Cook, an excellent Captain, and Past both showed tremendous flare and aggression as forwards and, once in full cry, they were very hard to stop. Buchanan showed great promise for the future as a fine tackler and intelligent wing-forward. In the backs, we had to change positions around a little in order to find the best combination and, in the end, Ruthven at fly-half displayed a fine natural break, while Taafe was always a threat as a hard running and strong-tackling centre. Again, both good prospects. The weakness in this side was perhaps in the loose, where inexperience showed itself the most, and on many occasions we just seemed unable to score.

House Rugby

House competitions were limited to seven-a-side rugby due to numbers, and this turned out to be most competitive and close at both Open and Under 14 levels.

Results:	<u>1st Equal</u>	<u>3rd</u>	<u>4th</u>
	Douglas/McKenzie	Thompson	Fraser

Junior Rugby

Rugby began for Grades 7 and 6 in the latter part of the 1st term and carried on until the end of March. Grades 4 and 5 did receive some coaching in the second term which was, of course, extremely rudimentary. The Grade 7 XV worked very hard on skills and patterns of play and on the field played some very close matches.

Results:	24th January	vs. SMU	Grade 7 XV
		Lost 6 - 4	(Young - try)
	14th February	vs. SMU	
		Lost 4 - 0	
	20th February	vs. Cordova Bay Elementary	
		Lost 8 - 6	(Pinckard - try Young - conversion)
	10th March	vs. St. George's	
		Won 31 - 0	(Young - 3 tries 1 convert 1 penalty goal Pinckard - 2 tries 1 convert Titus - 1 try)

The Rugby Season was highlighted by the Glenlyon Invitational Seven-a-Side Rugby Tournament. This year 12 teams were entered from four schools. Glenlyon entered three teams--Grade 7 A & B and a Grade 6 team. The Grade 7A team reached the semi-finals and were narrowly defeated by Cordova Bay A team 6-0. Both the B and Grade 6 teams were defeated in the first round. S.M.U. won the tournament by defeating Cordova Bay A team (24-0).

HOCKEY

In November, a hockey programme was begun for the first time in the history of the school. About 35 boys took part. A school team was selected from those 35, and two games were played against St. George's School, Vancouver.

Game 1 - U.B.C. Arena (February 12)

In the first ever inter-school hockey game, a classic performance in goal by Brian Blamey and stout play by Mike Paget on defense gave Glenlyon a 4-2 win. Mike scored two goals, both on ice-length rushes. Michael Moore's dogged play around the net was rewarded when he scored the first goal. Ian McKenzie scored the fourth goal into an empty net.

D. Izard, K. Seaman, B. Donaldson, B. Blamey, M. Templeman, J. Greer, M. Moore**

Game 2 - Memorial Arena (February 26)

St. George's boys were billeted in homes of team members and the game played first thing Monday morning. The whole senior school turned out to cheer the team on. Close checking by St. George's completely stymied Glenlyon's offense. Result: St. George's 4, Glenlyon 0.

Considering the number of boys new to the game and the limited practice they had, a split in the series was a fine showing.

JUNIOR SKATING

Skating formed an integral part of the winter athletics programme for the junior school, with Grades 5, 6 and 7 enjoying an hour of pleasure skating--with some coaching of the basic skills involved--on Thursday mornings. The season closed with a friendly match against St. George's. Our team was outplayed (the hosts winning 12-1), but they certainly did not lack in enthusiasm and determination.

Mr. Gammon gave up much of his time as a regular driver and a willing instructor; thanks also to the many mothers who volunteered their cars to convey the boys down to Memorial Arena.

All in all, a most successful venture, and a good beginning for junior ice hockey and general skating in the years to come.

Junior

Swimming

The swimming programme was held in the second term from mid-January to the beginning of March. All the junior grades took lessons at the Crystal Pool once a week. Instruction was focused mainly on stroke technique, breathing, and in the lower grades (3 and 4) on building up confidence in the water. A small amount of life saving procedure was also given to the seventh grade. The sessions were very rewarding and enjoyable for the boys.

The junior boys also took part in the Victoria and District Elementary Schools Swim Meet held at the Crystal Pool on January 20. Overall we did not fare too well but

the following boys deserve mention:

25 m. free	Andrew Hutcheson	3rd	8 and under B flight
50 m. free	Alistair Bland	3rd	10 and under B flight
50 m. back	Alistair Bland	2nd	10 and under B flight
50 m. free	Andrew Thackray	7th	11 & 12 years A flight
50 m. breast	Jonathan Gregory	8th	11 & 12 years A flight.

Independent Schools' Association Junior Swim Meet

This swim was held at the Gordon Head Swimming Pool on Friday, March 2., and was hosted by St. Michael's University School. The Under 12 team performed very well, but were no match for a very strong St. George's and S.M.U. contingent. In this section, we placed fourth.

Under 12 Points:	St. George's	54	Glenlyon	15
	S.M.U.	39	Cliffside	13
	Athlone	24		

The Junior House Swim Meet (Grades 3 - 7) was held again at the Crystal Pool on Thursday, 8th March. As well as competitive events for house points, the boys took part in various novelty races which were all thoroughly enjoyed.

Overall Results:	McKenzie	1st	Thompson	3rd
	Fraser	2nd	Douglas	4th.

D.A.

SENIOR SWIMMING

The swimming programme this year saw approximately 35 members of the senior school receiving instruction twice a week in swimming techniques, water safety, and life-saving. The school was again fortunate in having the use of the Crystal Pool facilities.

At the start of the programme, there were a few boys whose ability to swim was poor, but it was most encouraging to see their rapid progress. One boy, Steven MacKeil, deserves special mention for his progress this year. Steven started the season as a complete non-swimmer and ended by swimming half a length with one large breath and a reasonable free-style stroke.

The school participated in two local swim meets. The first was the 47th Annual Victoria and District Schools Swim Meet held at the Crystal Pool on February 3rd. Glenlyon

had 14 boys swimming and all, without exception, swam well. Representing the school were: Richard Hunt, Albert Selina, Marius Felix, James Buchanan, Rens Davis, Mark Hine, Hansi Cunningham, Paul Monaghan, Robert Thorn, Steven Past, William Taaffe, Steven Buchanan, and Douglas Lloyd.

Of these, three boys deserve special mention. In the 50 metres freestyle, Richard Hunt placed second with a time of 32.5 seconds, a mere 0.3 seconds behind the winner. Marius Felix placed 5th in the 50 metres backstroke with a time of 44.0 seconds. Hansi Cunningham placed 7th in the 50 metres butterfly with a time of 43.7 seconds.

The school was well represented in the Independent Schools Swim Meet this year by eight Under Fourteen year olds.

Individual results were, perhaps, disappointing but, when considered in the light of greater numbers in the opposition, understandable. However, the freestyle relay team consisting of Hansi Cunningham, William Labe, Neil Muir, and Albert Selina placed third and did swim very well.

Total points in the Under Fourteen category were as follows: St. Michael's University School = 64; St. George's School = 45; Athlone = 33; Glenlyon = 20; Cliffside = 8.

The Inter-House Swimming Gala for the Robert J. Wheaton Swimming Trophy was held on Monday, March 5th, at the Crystal Pool. The Gala consisted of regular events and novelty events, thereby allowing all senior boys to participate in at least one event. The overall results were:

1st = Douglas 2nd = Fraser 3rd = Thompson 4th = McKenzie.

First XI

The 1973 season was extremely successful for the 1st XI with the team winning all of its six matches. As shown by the playing record, the team has been enthusiastic--not only in batting and bowling, but also in their fielding. This part of the game often becomes dull for some boys, but this year all who played showed keenness and alertness. Davis, for his ground fielding, and Buchanan, for bringing off some remarkable catches, need special mention.

Some of the team were unfortunate in not being able to bat as much as they would have liked because the earlier batsmen often scored enough runs to pass the opposition's total! Butterfield, with an average of 44, wielded the bat with much skill. In this area, Wilson, Paget, David, Wright, and Hibbert also batted well and all had an average of over 15. Wilson, in bowling, took 17 wickets for 44 runs, which alone indicated how he bowled. He was ably assisted in this field by Buchanan, Wright and Hibbert.

In summing up, the season has been most successful, not only with the number of wins, but also with the keenness of the team. The standard of opposition was good and this indicates the strength of the school XI. Games were as follows:

S.M.U. Grade 10 and Under

S.M.U. 21 all out. Wilson 3 wkts. for 6. Wright 3 wkts. for 2.
Glenlyon 22 for two. Butterfield 19 not out.

K. Riggs, J. Cunningham, M. Templeman, S. Buchanan, T. Barnett, W. Lake, H. Ruthven

The Under 14 team had three matches this year, but lost all three quite heavily. It is unfortunate that time did not allow for more practices as improvements were quite noticeable by the third match. S. Buchanan bowled very well, ably assisted by W. Lake, and J. Cunningham and P. Walker both batted well. Results:

S.M.U. - lost by 9 wkts. Glenlyon 22 all out. Barnett 8 not out.
S.M.U. 23 for 1 wkt.

St. George's - lost by 54 runs. St. George's 104 all out. Buchanan 5 wkts for 9
Glenlyon - 50 all out. Walker 27.

S.M.U. - lost by 26 runs. S.M.U. 48 for 7 wkts.
Glenlyon - 22 all out. J. Cunningham 10

This year the competition was very keenly contested, but MacKenzie turned out to be worthy winners:

Junior Cricket

Cricket was again played a good deal in the junior part of the school. Grades three and four play a simplified version of the game, in which the object was to learn fundamentals of the game. Grades five, six, and seven concentrate more on the basic skills of batting and bowling. It continues to be very popular with all the boys and it is a pity that more fixtures could not have been arranged, but too few schools play the game. Results:

St. George's (grade 7) (June 3, 1973)
St. George's 68 all out.
Glenlyon 70 for 8 (Mark Pinckard 27, not out). Won by 2 wickets.

Glenlyon 49 all out (P. Newton II not out)
S.M.U. 50 for 9 (R. Nunan 6 for 20, M. Pinckard 3 for 18). Lost by 1 wicket.

S.M.U. (grade 6) (June 14)

18 Overs Match

Glenlyon 76 for 7 (T. Frewer 24)
S.M.U. 16 all out (P. Boyle 4 for 8, T. Butler 3 for 2, J. Pollen 2 for 1)

Sports Day

This was held on Saturday, May 5th at the Oak Bay Track and was an extremely successful and enjoyable day. Mr. Wenman presented the trophies and ribbons. This year the House and Individual Championships were incorporated on the one day.

Individual Championship Winners:

- Under 10: Brett Butler (Fraser) - 23 pts.
- Under 12: Peter Boyle (Douglas) - 24 pts.
- Under 14: Roderick Owne-Flood (MacKenzie) and Robert Young (Fraser) - 25 pts.
- Open: Richard Hibbert (Thompson) - 33 pts.

New records set or equalled:

The background of the entire page is a complex, high-contrast abstract pattern. It consists of thick, irregular black lines that meander and swirl across a white background, creating a series of organic, cell-like shapes. The pattern is dense and fills the entire frame, giving it a textured, almost topographical appearance.

Track and Field

Junior Track and Field

All School Relays:

This Meet was held on May 1, 2, 3, and 4 in the evening at Centennial Stadium. The elementary school entered a full team and in most events we reached the final.

Results:	4 x 100 metre relay	Glenlyon 4th	55.1 secs.
	8 x 50 metre relay	Glenlyon 5th	69.5 secs.
	100 metre final	R. Young 4th	13.7 secs.
	cross country	Glenlyon 2nd.	63 pts. (Philip Newton 2nd overall)
	Overall position in elementary section = 11th.		

Vancouver Island Elementary Track and Field Championships

The Independent Schools enter this Meet as a zone, but unfortunately we did not have the services of St. Michael's University School as they were having their closing day ceremonies on that date. Added to this, Norfolk House could not enter a sufficiently strong team. Cliffside, therefore, were the only other school to enter with us to form a combined team. However, we did very well and came 5th overall. One highly creditable performance was that of Peter Boyle who broke the Under Ten high jump record by five inches with a jump of 4' 7 1/2".

Independent School Track and Field Championships

This Meet was held again at Centennial Stadium on Friday, June 8th, and was hosted by us. At the Under Twelve age level, Glenlyon did not fare very well and we ended up at the bottom with 41 points. However, there were only 20 points separating all five schools, which gives an indication of how close the competition was. Noteworthy performances were by Peter Boyle (2nd in high jump - 4'7"), Terrence Hine (2nd in shot put - 29'9"), and Tim Anderson (3rd in discus - 61' 8 1/2").

On a grade level there were a number of "Mini" Track Meets against St. Michael's University School. Results:

Wed. 23rd May	Grade 7 vs. S.M.U.	1st Glenlyon	53 1/2 pts.
		2nd S.M.U.	50 1/2 pts.
Mon. 28th May	Grade 6 vs. S.M.U.	1st S.M.U.	60 pts.
		2nd Glenlyon	44 pts.
Fri. 31st May	Grade 3 vs. S.M.U.	1st Glenlyon	50 pts.
		2nd S.M.U.	33 pts.

Senior Track and Field

This season has been an extremely busy one for the boys, starting with a full-time standards programme for all boys at the beginning of the term and culminating in Sports Day, followed by several meets during the rest of the term. In spite of our limited facilities, the boys were most enthusiastic towards the programme and later many athletes performed extremely well in inter-school competition.

The results of all these meets are given below, but special mention must be made of Brian Blamey, who has had an outstanding season in the 3000 metres. He won both the City and Vancouver Island Meets, smashing both records by considerable margins and is undoubtedly a great prospect in this event. Richard Wilson, Richard Hunt, and Richard Hibbert also had an excellent season. All these four boys were awarded colours.

OLD BOYS' ASSOCIATION

In October 1972 a special "Sports Afternoon" was arranged for those Old Boys who are still under 25, or so. Everyone met at the new Sports Pavilion at Windsor Park, and two Rugby sides and two Soccer sides were soon playing each other, with the odd gap filled in by the Grade 10 boys.

After the matches were over, nearly 70 Old Boys met together in the Old School for tea, to which Mr. Upward, Mr. McNeel-Caird, and Mr. Marshall had also been invited.

The Old Boys' Dance was held at the Royal Victoria Golf Club and was well attended by Old Boys, Parents, and Staff. An excellent band, buffet and the spacious surroundings all contributed to a splendid evening. Our thanks are due to Peter White, our President, for the immense trouble he took to organize this dance.

AUTUMN IS

Autumn is lots of things;
School again,
Pne-scented and smoke-scented air
Makes the world smell good everywhere.

Carpets of silver and carpets of gold
Surround us both young and old,
Red and yellow leaves flying through the air
Send more colour everywhere.

Birch leaves, oak leaves, willow leaves too
Help keep the ground anew;
Where are the birds? Where have they gone?
Our life seems dull without their song.

Leaves are falling from every tree,
But where, Oh where is the bumblebee?
Fishermen are waiting for the salmon run
For Autumn has come.

THE JELLYFISH

In the water
I suddenly saw
A large jellyfish.
He moved his feelers
And glided smoothly, silently
Beside the rocks,
White, slimy and smooth;
An unpleasant creature.

There it was
On the beach,
All still and motionless,
Cold, dead.

SWIMMING

I went swimming in my pool,
It was March, it was cool.
It was warmer in than out,
Steam was dancing all about.

The water was warm, the air was cold;
Paul and I said "Let's be bold."
So in we jumped, fins and all.
When I came up, there was Paul.

He said "Your lips turned from pink to blue."
I said "Yours look the same way too."
What fun we had on that cold March day.
Swimming is the best way to play.

Flying away quick when I emerge,

Swooping, skimming, flying away,
I don't know why they're afraid of me today.

In the water or on the land,

They seem to think I'm coming to say,
"Get out birds and get away."

Mark Hine (9)

He couldn't go on! The pain was increasing with each gasp of air. He knew that at any moment the water would sweep into his lungs and he would die unnoticed and sink into this blue hell which would become his grave forever. Why did he not inhale the water and end it all? No. He had to win! He couldn't stop now. This would be the one thing he had accomplished in his life. He searched the sky for another enemy. There it was. But now it was two glaring eyes staring at him. The hazy blue expanse around him was wobbling. He kept on swimming, swimming, swimming

He saw his school, and all the students laughing at him. He was a failure. He couldn't write properly, he couldn't read quickly, he got bad marks. He tried playing games with other people but they always pushed him away and laughed and said he wasn't any good. He could only do one thing; swim. Nobody liked swimming with him. They said he was stupid. So, he would spend long hours swimming back and forth. It got so that the people at school would call him "frog". At first he resented this, but he grew used to it. He dropped out.

Many years later, he was still looked on with scorn. He tried different jobs, but he could not master any of them and it was only a matter of time until he was fired.

He was sitting on his bed thinking about his dog, a brown and black mutt he had named "Sampson", when he heard it over the radio. A man had made world history by swimming across the Gulf of Mexico from Florida to Merida, Mexico.

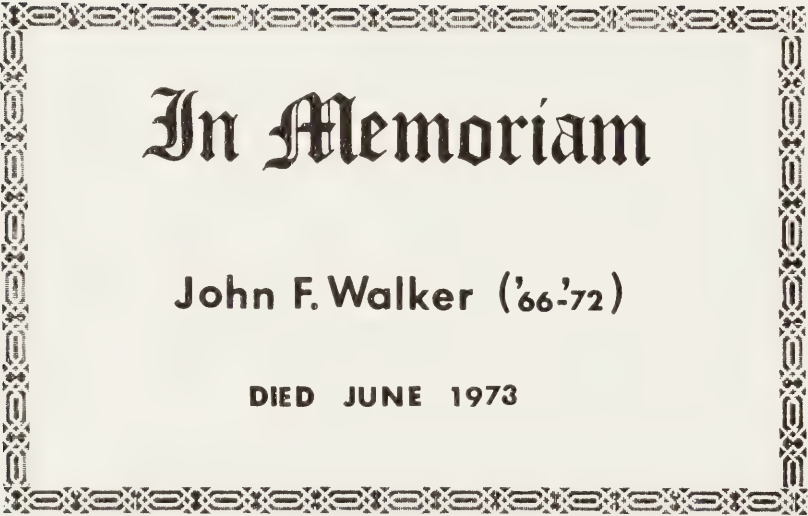

A world record! What an accomplishment! Could he do it? No; he would probably give up and would have to be hauled into the boat following him. But think of the glory! He wouldn't have a boat. He'd do it alone. He would rather die while trying something than be humiliated by having to be rescued. He would do anything, including die, to be famous.

So here he was. About to die. His strokes were only kept going by the will to live, and an overpowering urge to succeed. But it was too late. He wouldn't--couldn't make it. He was feeling drowsy. The pain was stopping. He was going, going . . .

What was that? Could it be? Life sprang back into the failing limbs. It was! It was that familiar buzzing under the water. An outboard motor! He raised his blood-shot eyes, and there it was. Another boat. Peering farther, he made out a yellow strip dotted with fuzzy creatures. He felt no pain - no weariness. He was surprisingly refreshed. Soon he reached the golden expanse. There was a crowd of people looking warmly at him and smiling. He got up and, surprisingly, walked onto the sand. A large, kindly looking man slowly walked down to meet him. He, looking down, discovered that he was not damp. This was strange! He couldn't figure it out. First he was not tired or sore, and secondly, he was not wet. Then the old man spoke:

"Welcome, my son," he said with a beaming smile on his face.

It was then that he realized the truth. He was not ashamed. He had found success in this world, not the last.
